KEY TERMS

- In this policy, Proposer and Life Assured shall be the same person.
- Grace period:** You have a period of 30 days from the due date to pay your premiums for all premium payment frequencies, during which your life cover will continue.
- Unused free partial withdrawal options cannot be carried forward to the next policy year.
- The tax benefits under the plan are as per the law prevailing on the date of issuance of this brochure, and are subject to change. For specific details, please contact your tax consultant.
- The assumed rates of return (6% p.a. and 10% p.a.) shown in the benefit illustration are not guaranteed and they are not the upper or lower limits of what you might get back as the value of your policy depends on a number of factors including future investment performance. The Fund Values at maturity shown in the illustration are net of Service Tax and Education Cess, which will be borne by the policyholder.
- You can exercise the Settlement Option under the policy at least 3 months before the maturity date. Partial withdrawals are not allowed during the settlement period. Administration charges and Fund Management charges will continue to be deducted. In case of the policyholder's death during the settlement period, the total Fund Value as on intimation date will be paid. At any time during the settlement period, you can request for a full withdrawal and close your account.
- a) If premium payment is discontinued before 3 policy years, all risk cover will cease and the death benefit will be the Fund Value. All charges except mortality charges will continue to be deducted. No further premiums will be accepted. Revival facility is available only by payment of all due premiums subject to the other revival conditions as laid down by the Company. No partial withdrawal can be made during the revival period. The policy can be revived within 2 years from the date of the first unpaid premium, else the policy will terminate and the surrender value will be paid at the end of the revival period.
b) If premium payment is discontinued after 3 policy years, the policy will remain in force with full Sum Assured during the revival period of 2 years. All charges, including mortality charges will continue to be deducted. No further premiums will be accepted. Only revival facility by payment of all due premiums is available. Partial withdrawal can be made during the revival period, subject to terms governing partial withdrawal. The policy can be revived within 2 years from the date of first unpaid premium, else the policy shall terminate and the surrender value will be paid to you. With prior notice to the Company, you have the option of Auto Cover Continuance to continue the policy without paying future premium till the surrender value is equal to annual premium, upon which the surrender value is paid and policy terminates. Alternatively, you can surrender the policy and take the surrender value.
- Risk commencement date under this plan shall be the later of (i) date of acceptance of risk by the Company and (ii) date of realization of proposal deposit by the Company.
- Net Asset Value (NAV) calculation:** When Appropriation/ Expropriation is applied, the NAV of a Unit Linked Life Insurance product shall be computed as, market value of investment held by the fund, plus / less the expenses incurred in the purchase / sale of the assets, plus the value of any current assets, plus any accrued income, net of fund management charges less the value of any current liabilities, less provisions if any. This gives the NAV of the fund. Dividing by the number of units exiting at the valuation date (before any new units are allocated/redeemed), gives the unit price of the fund under consideration.
- First premium will be allocated at the NAV of the date of commencement of the policy.
- Transaction requests (including renewal premium payment by way of local cheques, demand drafts, partial withdrawals etc.) received before the cut-off time will be allocated the same day's NAV and the ones received after the cut-off time will be allocated next business day's NAV. The cut-off time will be as per IRDA guidelines from time to time, which is currently 3:00 pm. The premium received by outstation cheques, ECS or DD, the NAV of the clearance date or due date, whichever is later, will be allocated.
- The premium shall be allocated on the due date even if it has been received in advance.

- Nomination can be made under this plan in accordance with Section 39 of Insurance Act, 1938.
- Assignment is permitted under this policy.
- There is no provision of loan on the policy.
- Suicide exclusion:** No benefit is payable except Fund Value as on the date of notification of death if death of Life Assured occurs due to suicide or attempted suicide within 12 months of the date of commencement or date of reinstatement of the policy. Lien - On death of the Life Assured during the first 45 days of policy commencement, Death Benefit will be higher of Fund Value and the total premium paid as on the date of notification.
- Free look period:** The policyholder has the right to review the policy terms and conditions within 15 days from the date of receipt of the policy document. If the policyholder cancels the policy during free look period, the Company will refund the fund value on the date of cancellation plus the un-allocated premium (if any) plus any charge deducted by cancellation of units, after deducting expenses incurred on stamp duty.
- Auto termination:** After the policyholder has paid the regular premium for three policy years, if the Fund Value at any time becomes equivalent to regular premium paid in the first policy year, the policy will automatically terminate and the Fund Value shall be paid to the policyholder.
- Section 41 of the Insurance Act, 1938;** No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy. Nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.
- Section 45 of the Insurance Act, 1938;** No policy of life insurance shall, after the expiry of two years from the date on which it was effected, be called in question by an insurer on the ground that statement made in the proposal or in any report of a medical officer, or referee, or friend of the insured, or in any other document leading to the issue of the policy, was inaccurate or false, unless the insurer shows that such statement was on a material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the policyholder and that the policyholder knew at the time of making it that the statement was false or that it suppressed facts which it was material to disclose.

HOW THE PLAN WORKS

- Choose the premium as per the amount you would like to pay
 - Your life cover will be five times your annual premium equivalent
 - Your Plan will be issued for a Fixed Policy Term of 15 years, while you pay premiums for a Premium Payment Term of only 7 years
 - Your money will be invested in our 'Balanced II Fund', to give you an appropriate mix of Equity and Debt exposures
- Submit the Proposal form by certifying the 'Declaration of Good Health', with the initial premium and the necessary documents
- You can choose to pay your premiums annually, half yearly, quarterly or monthly². You can opt to pay your premiums through cheque, demand draft, ECS, direct debit or standing instruction to your bank account
- Your policy will be issued immediately after an internal check without any Medical Tests requirement
- You will be required to pay premiums regularly for the entire Premium Payment Term

BENEFITS UNDER THE PLAN

- Insurance Cover Benefit**

In the unfortunate event of your death during the Policy Term, your nominee will receive Sum Assured plus the Fund Value (as on intimation date).

Note: In case of death in the first 45 days from policy commencement, the insurance cover benefit will be higher of total premiums paid and Fund Value
- Loyalty Additions**

Enjoy Loyalty Additions twice during the term of your policy, once at the end of your Premium Payment Term and then again at Maturity to enhance the value of your investments. The Loyalty Additions are given in the form of extra allocation of units as a percentage of your Fund Value as illustrated below:

 - Loyalty Addition at the end of Premium Payment Term = 1% of the Fund Value as on the due date of Loyalty Addition
 - Loyalty Addition at Maturity= 5% of the Fund Value as on the due date of Loyalty Addition

Loyalty Additions are paid provided all the due premiums have been paid till date and the policy remains in force. Loyalty Additions due post date of death or surrender will not be payable, however those already credited will not be reversed.
- Partial Withdrawals**

In order to meet any sudden financial requirements, you

can make Partial Withdrawals³ from your policy without having to surrender it. Partial withdrawals are allowed after the completion of 3 policy years. The minimum withdrawal amount is Rs. 10,000 and the maximum is such that the Fund Value after withdrawal is more than 120% of the first year premium. Partial Withdrawal charge is as detailed in 'Charges section'.

- Surrender**

You have the option to surrender the policy, whereby the surrender value will be paid to you after deducting the applicable surrender charge (refer Charge section) and thereafter the policy will terminate.

If the policy is surrendered within the first 3 policy years, the surrender value will be paid after completion of the 3 policy years, the surrender value as at the date of surrender will not vary based on the performance of Investment Funds and will remain constant till it is paid out. There will be no surrender charges if surrender request is received post completion of at least 5 Policy Years.
- Maturity Benefit**

At maturity, you have the option to either take the entire Fund Value as a lump sum and close the policy or opt for the Settlement Option (explained in the "Features in Detail" section) and take the maturity proceeds as structured payouts over 5 years.
- Tax benefits⁴**

Premiums paid under this policy will be eligible for tax benefit under Section 80C and any benefit amount paid to you will be eligible for tax benefits under Section 10(10D), as per the Income Tax Act, 1961.

Illustrative Example

Mr. Pandey, age 35, opts for Saral Bima Plus, with a Fixed Policy Term of 15 years and a fixed Premium Payment Term of 7 years only. His units are invested in the Balanced II Fund. The illustration shows multiple scenarios with annual premium and Sum Assured options.

Annual Premium (Rs.)	Sum Assured (Rs.)	Maturity Value assuming Gross Investment Return ⁵ (Rs.)	
		6% p.a.	10% p.a.
10,000	50,000	1,07,063	1,70,651
50,000	2,50,000	5,65,365	8,93,465
1,00,000	5,00,000	11,38,243	17,96,982

FEATURES IN DETAIL

- Investment funds available to you**

To maintain the simplicity in design and benefits, we provide you our Balanced II Fund in this plan. Through this fund you can get an appropriate mix of Equity and Debt exposures.

The investment and risk profile of this fund is described below:

Fund Name	Fund Philosophy	Asset Allocation		Risk Profile
Balanced II Fund	To generate capital appreciation and current income, through a judicious mix of investments in equities and fixed income securities.	Equity	30%-70%	Medium
		Debt Securities	30%-70%	
		Money Market	0%-40%	
- Settlement Option**

At maturity, you may avail the Settlement Option⁶ wherein you can take your final Fund Value as structured payouts for a maximum period of 5 years. There will not be any life cover during the Settlement period. The units will be cancelled periodically as per the frequency agreed and the proceeds will be given to you by cancellation of units with applicable NAV. All the investment risks related to the fluctuations of unit price will continue to remain with you (the policyholder).
- Auto Cover Continuance Option**

If you are unable to pay premiums after the first 3 policy years' premiums are paid, you have the option to continue the policy with the full Sum Assured by availing the Auto Cover Continuance^{7a)} option before the end of the revival period (2 years from the due date of the first unpaid premium). The policy will continue till the surrender value reaches an amount equal to the first year premium, upon which the policy will be terminated and the surrender value will be paid to you.
