Loan Facility

- To meet any contingent need, you may avail the loan facility in this plan.
- Loan facility is available in this product for an in-force policy after the policy acquires a Surrender Value.
- Loan facility is not available:
 - o Under Paid-Up policies
 - o Where benefit under Payor Premium Protection Cover is payable
- The Policyholder can avail a loan for an amount of up to 80% of the Surrender Value subject to a minimum loan amount of Rs. 20,000.
- The Company reserves the right to review the interest rate for Policy Loans on 31st December every year and the changes shall be applicable from 1st April of the following year. The prevailing rate of interest on loan for FY 21-22 is 6.60% per annum compounded yearly on policy anniversary and chargeable from the date of loan disbursement.
- The policy will be assigned to the Company to the extent of outstanding loan amount and all benefits - Surrender, Death, Maturity and Survival will be paid after deducting the outstanding policy loan and interest. Only the balance amount, if any, shall be payable
- If at any time during the term of the policy, the sum of loan outstanding and unpaid interest on loan outstanding exceeds the prevailing Surrender Value at that time and the Policyholder fails to pay the loan outstanding amount and unpaid interest amount after being given intimation of 3 months (or the timeline as applicable as per Company policy at that point in time) and reasonable opportunity to continue the policy, the policy will be foreclosed and all rights and benefits under the policy will cease in case of a policy that is not premium paying or fully Paid-up.

Tax Benefit

You may be entitled for tax benefits in accordance with the provision of Income Tax Act, 1961 as amended from time to time. Please consult your independent tax advisor for tax related queries.

Policy Revival (Not Applicable Under Easy iAchieve)

You can make a request for revival of your policy if your policy is in lapse or paid-up status.

- You can revive your policy within the revival period i.e. 5 years from the due date of the first unpaid premium
- The revival of the policy will be as per the Board Approved Underwriting Policy of the Company.
- All past due premiums need to be paid by You along with applicable interest* The interest applicable on revival shall be calculated on simple interest basis, as defined by the Company from time to time (from the respective premium due dates till the revival date).
- If a lapsed policy is not revived within the revival period, the policy will terminate on expiry of the revival period.
- On revival of the policy, the policy with all the benefits as applicable would be reinstated.

*The basis for determining the interest rate is the average of the daily rates of 10-Year G-Sec rate over the last five calendar years ending 31st December every year rounded to the nearest 50 bps plus a margin of 200 bps where 1 bps is equal to 0.01%. Any change in the basis of this interest rate will be subject to the prior approval of the Authority. The Company undertakes the review of the interest rates for revivals on 31st December every year with any changes resulting from the review being effective from the 1st of April of the following year. The applicable interest rate for the financial year 2021-22 is 9.0% per annum.

In Case Of Non-payment of The Premiums (Not Applicable Under Easy iAchieve)

The plan is intended to meet your financial goals. Therefore, we strongly advise you that you should continue with the Policy till the end of the Policy Term to realize the full benefits. The plan offers policy loan that can be availed (as per terms and conditions) to manage any liquidity needs.

- If the premiums have not been paid in full for the first two policy years, before the end of the Grace Period your policy will lapse at the end of the Grace Period and the insurance cover will cease immediately, and no benefits will be paid when the policy is in lapsed status.
- If the premiums have been paid in full for the first two policy years but not subsequently within the Grace Period, your policy will move to paid-up status and the policy will continue with reduced benefits

Guaranteed Additions will stop accruing further once the policy moves into lapse or paid up status.

Paid-up Policy (Not Applicable Under Easy iAchieve)

If the premiums have been paid in full for at least the first two consecutive policy years and no future premiums are paid, the policy will move to paid-up status. On your policy becoming paid-up, the proceeds under the plan will be reduced as given below:

Reduced Death Benefit	On death of Life Assured following shall be paid: Paid-up Sum Assured on Death; PLUS Paid-up High Premium Addition, if any On payment of this benefit, the policy will terminate and no further benefit will be payable, irrespective whether Payor Premium Protection Cover has been chosen or not (as applicable)
Reduced Survival Benefit (Applicable under iAssure and Flexi iAssure plan option only)	At the end of each Policy Year after end of the PPT, you will get: Paid-up Guaranteed Income
Reduced Maturity Benefit (Applicable under iAchieve and Flexi iAchieve plan option only)	At the end of the Policy Term you will get: Paid-up Guaranteed Sum Assured on Maturity; PLUS Paid-up High Premium Addition, if any On payment of this benefit, the policy will terminate and no further benefit will be payable.
Reduced Maturity Benefit (Applicable under iAssure and Flexi iAssure plan option only)	At the end of the Policy Term you will get: Paid-up High Premium Addition, if any On payment of this benefit, the policy will terminate and no further benefit will be payable.

The formula below will help you understand the Paid-up proceeds better:

$$\text{Paid - up Guaranteed Sum Assured on Maturity} = \text{Guaranteed Sum Assured on Maturity} \times \frac{\text{Number of premiums paid}}{\text{Total number of premiums payable during the Policy Term}}$$

$$\text{Paid - up Sum Assured on Death} = \text{Sum Assured on Death} \times \frac{\text{Number of premiums paid}}{\text{Total number of premiums payable during the Policy Term}}$$

$$\text{Paid - up Guaranteed Income} = \text{Payout under Guaranteed Income} \times \frac{\text{Number of premiums paid}}{\text{Total number of premiums payable during the Policy Term}}$$

$$\text{Paid - up High Premium Addition} = \text{High Premium Addition} \times \frac{\text{Number of premiums paid}}{\text{Total number of premiums payable during the Policy Term}}$$

Policy Surrender

This plan intends to meet your financial goals. Therefore, we strongly advise you that you should continue with the Policy till the end of the Policy Term to realize the full benefits.

For all plan options other than “Easy iAchieve” - The Policy shall acquire a surrender value if the premiums have been paid in full for at least the first two consecutive policy years.

For “Easy iAchieve” plan option- The Policy shall acquire a surrender value from the first policy year.

- The Surrender Value payable is higher of:
 - o Guaranteed Surrender Value (GSV)- GSV varies basis the plan option chosen by the Policyholder:

Plan Option	Surrender Value
iAchieve and Flexi iAchieve	The GSV is determined based on a defined percentage of Total Premiums Paid plus a defined percentage of accrued Guaranteed Additions, if any
iAssure and Flexi iAssure	The GSV is determined based on a defined percentage of Total Premiums Paid plus a defined percentage of accrued Guaranteed Additions, if any less Survival Benefits already paid
Easy iAchieve	The GSV is determined based on a defined percentage of Total Premiums Paid

Further, under Flexi iAchieve and Flexi iAssure-, Guaranteed Surrender Value plus the Survival Benefits already paid, if any will be equal to at least 100% of Total Premiums Paid from 4th Policy Year onwards, provided first three years’ Premiums have been paid in full

- o Special Surrender Value (SSV) - SSV will be determined by the Company and may vary from time to time, with prior approval of the Authority

The Policy cannot be surrendered if Payor Premium Protection Benefit has been availed i.e. post death of the Life Assured or the Policyholder.

For the details on GSV factors, please refer to the sample policy contract of this plan available on the Company's website.

Key Terms And Conditions

1. The definition of Age used is ‘Age as on last birthday’.
2. For monthly mode policies, the Company may accept three months’ premium in advance at policy inception. Collection of advance premium shall be allowed within the same financial year for the premium due in that financial year. However, where the premium due in one financial year is being collected in advance in earlier financial year, the Company may collect the same for a maximum period of three months’ in advance of the due date of the premium. The premium so collected in advance shall only be adjusted on the due date of the premium.
3. The risk under this policy will commence on the date the Company underwrites the risk, subject to realization of full premium.

4. **Goods and Services Tax & applicable cess (es)/levy, if any** will be charged over and above the premium as per applicable laws as amended from time to time.
5. **Suicide exclusion:** In case of death due to suicide within 12 months from the date of commencement of risk under the policy or date of revival of the policy, the benefits payable under this policy shall be:
 - o In case of death due to suicide within 12 months from the date of commencement of risk under the policy and the policy is in force, higher of 80% of the Total Premiums Paid till the date of death or the surrender value available as on date of death.
 - o In case of death due to suicide within 12 months from the revival date of the policy, higher of 80% of the Total Premiums Paid till the date of death or the surrender value as available on the date of death.

There are no exclusions other than suicide clause (as mentioned above) for Death Benefit. On payment of benefit under suicide clause the policy will terminate irrespective of whether PPC benefit has been chosen or not.

6. **Free look period:** In case the Policy terms and conditions are not agreeable to You then You can opt for a cancellation of the Policy. You can send a request for cancellation of the Policy, along with the reasons and original Policy Document, within 15 days (30 days in case of electronic policies and when the Policy is sourced through distance marketing mode, i.e. solicitation of the product through any means of communication other than in person) from the date of receipt of Policy Document. We shall refund the premium received by Us subject only to deduction of the proportionate risk Premium for the period of life cover, stamp duty and medical expenses, if any.
7. **Minor Life:** Where the Policy has been issued on the life of a minor, the Life Assured (i.e. the minor in this case) and the Policyholder will be different at the date of commencement of the Policy. The risk cover of the Life Assured shall start immediately from the date of commencement of the Policy. The Policy shall automatically vest on the Life Assured immediately on date of completion of 18 years of age and the Life Assured would be the holder of the Policy from such date, subject to assignment, if any, and all benefits thereafter shall be linked to the life of the Life Assured. Till such time that the Life Assured and the Policyholder are different, and Payor Premium Protection Cover has not been chosen all benefits (death and survival) are linked to the life of the Life Assured and there is no contingency on the life of the Policyholder. In the event of death of the Life Assured in minority, all the proceeds under the Policy would go to the Policyholder and the Policy will terminate. If the Policyholder dies while the Life Assured is still a minor then the legal guardian of the minor or the legal heir of the Policyholder can become the Policyholder and continue to pay the premium to keep the policy alive. Till such time that the Life Assured and the Policyholder are different and Payor Premium Protection Cover has been chosen all the benefits under the policy shall be linked to the life of the Life Assured, except for the benefits linked to the death of the Payor.
7. **Grace Period:** You are required to pay premium on or before the premium payment due date. However, You are provided with a Grace Period of 30 days for annual, half yearly and quarterly modes and 15 days for monthly mode from Premium due date to pay due premium. The policy and applicable benefits will remain in force during grace period and in case of an admissible claim, the benefits will be payable post deduction of due unpaid premium.
8. **Nomination and Assignment:**
 - o Nomination should be in accordance with provisions of Section 39 of the Insurance Act, 1938, as amended from time to time.
 - o Assignment should be in accordance with provisions of Section 38 of the Insurance Act, 1938, as amended from time to time.
